MEMORANDUM FOR : Chief, Communications Staff, Office of Special
Activities

25X1A

25X1A

SUBJECT

:

Communications to

25X1A

25X1C

1. You will recall my discussion with you last week on possibilities
of extending the [] link to [] on the move of that 25X1C

25X1C

[] I understand that this is projected to go into operation in June or
July.

25X1A

2. I have discussed this with []
both of whom are quite interested in seeing us follow through on this extension.
You may find a manning problem, however, since I was told informally by

25X1A

[] operates a limited capability
during daylight working hours only Monday through Friday. You may, there-
fore, receive a request for additive manpower in order at a minimum a call-
out capability for the passage of operationally relayed traffic dealing with the
movement of Project materials to and from [] Please let me know what
the prospects of establishing this service are.
